HOSPITAL VISITING

Every now and then we hear of someone who has been in hospital and they are not being visited by the church. In recent years it has become more difficult for churches to visit members in hospital due to patient confidentiality and the onus is now on the patient, or their family, to let us know that they are in hospital if they wish us to visit. If you know that you are going into hospital for a period of time or find

yourself in hospital and you would appreciate a visit from the church, can you please either contact one of the District Elder team or myself and we will endeavour to fulfil your request. You will find the contact details on the back page of the Bulletin.

Robert Esson,
Session Clerk

RETIRING AND SERVING

We would thank for their service over the last year the members who are due to retire at this year's Annual Meeting

Mrs Helen Smith, Mrs Debbie Macintosh, Mrs Maureen Reid

Members who continue to serve on our Session Committees are:

Mrs Kathryn Anderson, Mr Ken Bruce, Mrs Janice Hutchison, Mr James Hyman, Mrs Fiona Stephen.

As always, those nominated at the Annual Stated Meeting should either be present to declare their willingness to accept nomination or have given previous assurance that they are willing to serve.

AT THE ANNUAL MEETING THERE WILL BE THREE VACANCIES TO FILL.

If there are more nominations than vacancies, those nominated will retire to the vestry and voting will be done by a show of hands.

2014 ANNUAL REPORT AND ACCOUNTS

The Office of the Scottish Charity Regulator has laid down its requirements for the presentation of charity accounts. Compliance is required to maintain charitable status. All Church of Scotland congregations are obliged to present an Annual Report which involves much more than the presentation of figures. The Kirk Session has decided that because of the size of the annual report, only the two page summary in the middle of this Bulletin will be issued to members. A full copy of the Annual Report can be had from the church welcome area or by requesting a copy from the Treasurer.

ANNUAL STEWARDSHIP CAMPAIGN

With this Bulletin, members should find the annual commitment card. Members are asked to participate in the campaign by returning a card when their visitor calls in the next three weeks.

FROM YOUR FORMER MINISTER

4 Waulkmill Steading, Charlestown, Fife

19 February 2015

Dear Friends

It saddened me greatly yesterday to look at a website and see a picture of the burnt out West Church and I want to pass on my regards to all those who share this sadness. We knew that the building did not have a future but it was devastating to see what happened.

I am sure, like me, many of you found yourself remembering the times you were in the Church. I recall how for over 30 years I conducted services there including weddings and funerals; how the best attended Watchnight services were in that church; special youth services; flower and vegetable shows, Guild interviews of a future First Minister and other special people; and so much more. These memories remain important to me and I hope you can say likewise.

It is now fully a year since I retired. A year ago I had such mixed feelings for it was not easy to leave 40 years of my life behind. I felt, and I am not sure if I was right, I needed to make a complete break. During the last twelve months I have often thought of you. For example, when I attended an Advent Study in our local church, I found myself recalling with gratitude all those who faithfully attended such things in Cruden. When I attend a communion service now, I look at the chancel and I picture the Cruden elders who so diligently performed their duties.

Recently Alison and I had reason to be up in Aberdeen and we took the opportunity to walk round the Old Church and were pleased to see the successful installation of the new windows. May things continue to go well with you and may you find a new minister soon to lead you in all your worship and witness. God bless you all.

Your friend and former minister

Rodger Neilson.

Robert Esson made this statement about the West Church to the congregation before worship on Sunday 22 February 2015

This week has been a very sad one for Cruden Parish Church and I know that many in our community have been devastated by the fire which has destroyed the West Church. I know we stopped using it in 2007 but many still have fond memories of worshipping there over a long number of years.

I was told of the fire about 7.45 on Wednesday morning and made my way straight there and looked on in utter shock and horror as the fire developed resulting in the building being totally destroyed, and I know others there at the time felt the same. The fire service did all they could to extinguish the fire but their efforts were in vain.

In early 2008, shortly after we stopped using the church the electricity was disconnected by Hydro Electric, they followed their usual practice of removing their main fuses at the meter which was situated just inside the

windows on the gable end of the building facing on to Main Street. There was no electrical supply to the rest of the building and the fire was not caused by an electrical fault.

A police and fire service investigation is ongoing and we just have to leave them to get on with their investigation.

Aberdeenshire Council have also been involved and their surveyor has visited the site and they are fully aware of the situation.

Arrangements were made for a structural engineer to visit the site on Wednesday morning and in his view the building is unsafe and should be demolished.

The building is insured through the Church of Scotland Insurance Company and a loss adjuster acting on behalf of the insurance company visited the site on Wednesday afternoon. He

has agreed with the recommendation of the structural engineer and we were asked to obtain three quotes from demolition companies to clear the site. Three companies have visited the site and at present we are waiting to hear back from them, once we do, the estimates will be passed on to the loss adjuster and what happens thereafter will be up to the insurance company to decide.

We have been informed by Aberdeenshire Council that they have a duty of care over war memorials and they have indicated that they will remove the war memorial and store it safely until such time as a new location can be found for it. I have been informed that the Hatton Hall Committee have agreed that it can be fitted to the hall wall.

The Church bell has been removed and the Kirk Session will have to decide what it wants to do with it. We are hoping that the clock face can be safely removed and again the Kirk Session will have to decide what to do with it.

The situation has been very fluid and changing on a daily basis and as far as I am aware we have acted on all the advice we were given by all the

professionals who have been involved in dealing with the situation.

I am extremely grateful to Bob Forman who unhesitatingly agreed to offer his assistance in dealing with the aftermath of the fire and his help has been invaluable in dealing with all the organisations we have had to deal with in the last few days.

I would like to conclude with a short prayer.

Lord God

We are all extremely shocked and saddened at the fire which has destroyed your church and our former place of worship. Many in our community and beyond have very fond memories of worshipping there and we find what has happened difficult to comprehend, at the same time we give thanks that for those memories and may they never be lost.

Lord God we pray that you are with all in our community who this week are feeling a great sense of shock and horror at what has happened and please comfort and support us in the days and weeks ahead and may your guiding light continue to lead us safely into the future.

Hear our prayer in the name of your Son, Jesus Christ. Amen.

CRUDEN WALKING GROUP 2015

A lively discussion at our February planning meeting when we considered a number of possible walks has resulted in the following being agreed.

| | |
|---------------------|--|
| Sunday 15 March | Inverugie |
| Sunday 19 April | Auchmacoy Estate (with the Guild) |
| Sunday 10 May | Udny Station to Ellon |
| Saturday 13 June | Loch Muick circular, (8 miles) with short walk round head of loch, or in Ballater itself |
| Sunday 12 July | Fraserburgh to Lonmay |
| Saturday 16 August | Crovie to Troup Head |
| Sunday 20 September | Formartine/Windyhills at Woodlands of Fyvie |
| Sunday 18 October | White Cow Woods to Fetterangus |

The walks are in the order of 4/5 miles with potential for providing shorter versions of say 3 miles or so.

For the March walk, as is usually the case, we will leave the Church Hall at 11.30 am. Bring a picnic and have a good afternoon. If you require more information please contact Margaret Wisely 01779 813075.

The winter session of Messy Church finished on a high note with a very enjoyable Christmas Party. The new session, still in Hatton, has been very well attended with lots of enthusiastic children enjoying all the usual activities. We have introduced a colouring competition which has proved to be very popular. With so many children attending we are grateful to all the parents who have taken part in the activities and helped with the clearing up. More help would be welcome so if you would like to become an occasional helper please contact Kathleen on 841221 or Beatrice on 841814. The next session is on Thursday 16th March please come along.

CHRISTIAN AID WEEK 10 -16 MAY 2015

The Buttery Morning will be on Saturday 9 May from 10.00 am until 11.30 am in the Church Hall. Raffles will be on sale as usual. Also a tombola.

The House-to-House collection, to be organised by Mary Bratton in Cruden Bay and Rosemary Reid in Hatton, will take place during the week of 10 - 16 May. Every year we need to recruit a few different collectors. Even if you can only do one evening or a couple of hours collecting, that would be a big help. Please think about offering your services to either of these two ladies.

We appeal to those who are tax payers to complete the Gift Aid part on the envelope - this has a value of 28% currently, which means for every £10 gifted, we can claim another £2.80 from the government in tax, which is a very worthwhile boost for charities.

MALAWI

In recent months Malawi has been hit by severe weather and we have received an update on the situation from Mphatso Nguluwe who visited Buchan Presbytery a few years ago and some of us had the privilege of meeting. Mphatso is matron of aids project LISAP and she writes.

This is just to give you a brief update of the recent damage that has happened in the area where we are working as LISAP. On 23rd January 2015, heavy storms affected schools and homes and many people have been affected. This is in addition to

what already happened earlier this month and last month where more than 300 households were affected. In this area, TA Kilupula 145 households were affected of which 123 houses completely collapsed. 451 people were affected of which 95 are children under the age of 5. In the area of education, 10 school blocks and 23 teachers' houses have been damaged. This is a dire situation of which just the sight of it makes one's heart heavy. Please keep praying for us.

VACANCY UPDATE

We were finally given permission by Presbytery in November to start the process of looking for a new minister. The first step was to appoint a Nominating Committee and this took place at the Congregational meeting on 30 November.

The sole task of the Nominating Committee is to look for and recommend one person who in their opinion is suitable to be the minister of the congregation and parish for the foreseeable future. The guidelines for the work of the Nominating Committee are very clear and strict in that their work has to be carried out in **private** and they are only allowed to discuss their remit with other members of the Committee. I would strongly urge you to respect this privacy and not put members of the Nominating Committee in an awkward position because they will not be able to answer your questions.

I know that everyone wants to know what is happening but we will have to exercise great patience and the Nominating Committee would appreciate your prayerful support for the task they are trying to fulfil in the hope that the Holy Spirit leads a suitable candidate to come forward as a potential minister for Cruden.

CRUDEN CRAFT GROUP

Following the sales table in December the Craft Group sent a donation of £150 to the Raven Trust to help with their shipping costs to Malawi. At the moment the charity is not accepting goods in Dundee, however last month we found an outlet nearer to home and were able to support the Congregational Church in Peterhead. They were delighted to receive a box filled with jumpers and blankets which will be sent to Iraq. The Blythswood charity was also supported by a donation of a box filled to the brim with scarves and hats.

The output from the group continues to be amazingly high and we are always grateful for donations of wool which have been handed in from members of the congregation. Last month we welcomed new members and are always pleased to see new faces at our fortnightly Tuesday afternoon meeting. There is no commitment to come every time, so why not just come along and enjoy the fellowship and a cup of tea. There will always be someone to lend a hand if you feel your knitting and crochet skills need refreshing!

CRUDEN GUILD

At the November meeting m Connie Bartlett gave an interesting and varied floral demonstration. Her Christmas arrangements were very simple, and were made up with a mix of fresh and artificial materials including a fishbowl, a flowerpot and a box, finishing with a tall arrangement done with fresh flowers and greenery, which she named Peace. All through the evening, Connie's love of her garden and flowers came across to her audience.

Christmas party time this year was held at the St Olaf Hotel, in Cruden Bay. Members enjoyed an evening of good food and chat, once again well catered for and welcomed by Alison Warrander and her staff.

At the start of the New Year, Mr Eric Mallarkey spoke about the Annual Tractor Rally. The rally which takes place in May, started in 1995 with 7 tractors and last year 95 vehicles took part. The route goes from Fetterangus to Fyvie Castle and to date £75,000 has been raised and presented to local charities. Members enjoyed the video with lots of well known faces taking part in the annual rally.
