Look at the birds: they do not sow seeds, gather a harvest and put it in barns; yet your Father in heaven takes care of them! Aren't you worth more than birds?

NOMINATING COMMITTEE

Extract from the notes provided by the Ministries Council of the Church of Scotland for Nominating Committees.

“The Nominating Committee is elected to look for and recommend one person deemed to be suitable to be a minister of the congregation and parish. It should be fully understood that the work of the Committee is confidential at all times. It should not be discussed with other members of the congregation or with others outside the congregation, including family members.”

The Committee has met twice since its formation.

The options open for seeking a new minister have been instigated.

To date there have been no applications for the post.

CAKE AND CANDY SUNDAY STALL

To raise funds for the Windows Project there will be a Cake and Candy Stall in the Hall after the service on Sunday 28 June, Sunday 26 July and at the Hatton Gala on Sunday 30 August. Donations will be most welcome. Further details from Beatrice Fawkes (841814).

This year's Buttery Morning raised £346 which was down from last year. Once we add this to all the money received from the house to house collection so far, as well as other donations, our grand

total is £3,125.

Once again we are delighted to say thank you to all who have worked hard and to those who have supported this fundraising,

- to those who organised and supported the buttery morning, being there, helping with the serving, giving and buying of raffle prizes
- to those who organised and those who did the collecting for the house-to-house collection in the parish.
- those who over the year collect coins in jars/boxes/bags etc.
- those who came along on Friday evening to help with the count;
- and, in particular, Rosemary Reid who organised the collection in Hatton and Mary Bratton in Cruden Bay.

The figure raised shows that the parish of Cruden continues to support and help the poor and needy of today's world. This amount of money will give many people a chance to enjoy a better life.

A BIRD'S TALE

We have lots of birds visiting our garden just now, nothing very exotic - sparrows and rooks for the most part. We have watched a family of sparrows growing up. They are now fluttering round the garden chirping at the top of their little voices, and enjoying the seeds we put out for them. There is an occasional visit from something more exotic, like the flash of colour that tells us that the goldfinches have come for a quick feed of the niger seeds which they seem to love.

Writing to the young church in Corinth, Paul reminds them that “few of you were wise or powerful or of high social standing.” (1 Corinthians 1:26) These first Christians were fairly ordinary people. Perhaps a bit like ordinary sparrows rather than peacocks or eagles. But these were the people that God chose to be the first Christians.

We are all praying that God will call the right person to be our next minister. Keep praying! But I am proud to be a member of Cruden Parish Church where the ordinary members do so much to keep the church alive and active, not least during our time without a minister, We all have a part to play, even those who may feel they are the most ordinary.

Our church is important to all of us, just as the Psalmist writes how he longs to be in the Lord's Temple: “Even the sparrows have built a nest and the swallows have their own home; they keep their young near your altars, Lord Almighty, my King and my God.” (Psalm 84:3) I haven't seen the sparrows nest at Cruden Church, but last year I did see an oystercatcher building its nest in the church car park!

We feed the birds that come to our garden. Let us all remember how Jesus assures us that God will give us spiritual food, more than enough to sustain us, especially at this time of uncertainty and waiting. We are more important than the birds to him! (Matthew 6.26)

CRUDEN GUILD REPORT

May 2015

At the end of another Guild year, we look back over our last three meetings. In February we were entertained by Marc Macintosh who gave us an insight into the life of an Auctioneer. He told us how he had always wanted to be an Auctioneer and at a young age skipped school to go to the marts to watch the sales. With help from his daughter he ended with members taking part in a fun Antiques Roads Show quiz.

On 30th March we welcomed Angie Christie, North Aberdeenshire Area Co-ordinator for CLAN Cancer Support, who told us about the worthwhile work being done in the area by the Group helping and supporting so many families through difficult times.

At our AGM in April, Rosemary welcomed Mary McNaughtan back to the Committee and thanked Beatrice Fawkes for her sterling work as Secretary over the past few years. Gordon Hay entertained us with a “A bit of this, and a bit of that” which turned out to be a miscellany of songs, music and anecdotes. Gordon provided a great finale for our Guild session. A buffet provided by the Committee was enjoyed before the meeting was brought to a close with a reminder about the Annual Outing to Aberdeen and Oldmeldrum on 4 June and good wishes to all for a nice summer.

GUILD SPONSORED WALK AND SENIORS' OUTING

The Guild would like to say a big thank you to all sponsors and all who took part in the Sponsored Walk on 19 April in aid of the Senior Citizens' Outing and Guild funds. Once again, in the region of £989 has been raised.

This year the outing is on Thursday 4 June and is going to the Inn at the Park, Polmuir Road, Aberdeen followed by a conducted tour of the city and then to Morris' Hotel, Oldmeldrum for High Tea. An invitation is extended to all senior citizens who are church members or adherents.

A bus will pick up in Cruden Bay at 12.30 pm and Hatton Village Hall at 1 pm. If you would like to come please can you notify any Guild Committee Member – Rosemary (812220), Shonah (841519) or Hatton Post Office, Irene (841532), Lorraine (812436), Muriel (841219).

CRUDEN CRAFT GROUP

The Craft Group meets every fortnight in the Church Hall at 2 pm and will continue through the summer months with no break. Visitors are always made welcome, whether they decide to come to every group meeting or just pop in now and again and there's always a friendly face and a cup of tea to greet them.

In the last few months the group has responded to a call for help from the Congregational Church in Peterhead which resulted in two boxes of our knitted and crocheted good being sent to Kazakhstan. We are glad to have been able to support our friends in Peterhead in this way. Donations were handed in to the Blythswood lorry when it was in Peterhead recently and also to Aberdeen Maternity Hospital.

Grateful thanks to two members of the congregation who are unable to attend the group but have made monetary donations to show their support, enabling us to buy more wool for all our worthwhile causes.

CRUDEN CHURCHES' WALKING GROUP

Sunday 19th April 2015. Auchmacoy

Our group of 23 people set off from "Poachers," down Lintmill Brae to approach Auchmacoy via the south drive. The front lawns and roadside verges were resplendent with golden daffodils. We had obtained permission to walk within the policies from the Laird, Charles Buchan. We continued past the imposing Victorian mansion house and past the estate offices and home farm to the Doocot, the 17th century category A listed building. The three staged beehive-style doocot with unusual corbelled roof was most impressive from close range.

We emerged from Auchmacoy estate at Old Yards onto a very narrow twisting minor road (which some 50 years or so ago was the old A90!) to circle back to our starting point.

We finished at JRD's for coffee but their haphazard service meant some of us got preferential treatment, while others waited....!!

Sunday 10th May. Inverugie and Ravenscraig

On a rather dreich day only a few of us assembled at the Fishermen's car park on the River Ugie. While we sat enjoying our picnic, we spotted the first swallows of the summer, swooping over the shimmering water.

We headed up the brae to the ruined Inverugie Castle, birthplace of Field Marshal James Keith who fought with distinction for the King, Frederick the Great of Prussia. The 5th Earl Marischal George Keith, founder of Marischal College in Aberdeen, was credited with carrying out much of the building works of the castle. We entered the grounds, mindful of the "dangerous building" signs and passed through a once-ornate gateway into a large courtyard overlooking the river.

We moved on to Ravenscraig Castle half a mile away on the other side of the river. Although it pre-dated Inverugie by 150 years it was less ruinous and quite forbidding. We were able to scramble down and up the moat to get a close look at the structure.

We continued our walk past Westerton and back along the railway line to our starting point, admiring on the way the stylish dwelling houses, all sitting in beautiful grounds. We chose McDonalds for coffee to ensure prompt service.

MARMALADE

I would like to express my thanks to all those who supported the Marmalade project by providing empty jam jars, sugar, and, of course, buying the marmalade. To date, the wonderful amount of £700 has been raised and passed to the Church Treasurer to be added to the Windows Project.
